

Date: 11/11/2024

- The Board discussed the many options for Christmas Concert times and arrangements. After all considerations, a decision was reached regarding start times and venue. These details will be emailed to parents immediately.
- The Board approved an Energy Audit for the school. The cost of this audit, 2,000 euro, is funded by the SEAI.
- The Board has also approved a site survey by Treacy Solar in anticipation of applying for Government funding for solar panels.
- The Parent's Association are arranging a Timber Raffle in the run up to Christmas. This initiative has been sanctioned by the Board.
- With reference to the garden project, funded through Ballaghveiny Dump Fund, a decision has been made to begin works by completing the planned work on the school shed.
- The Board have been advised of the new Bi Cinealta Anti Bullying Procedures. Ms. Hogan and Mr. Mackey will attend training on December 2nd, in Limerick Education Center. In the coming months, all school stakeholders will be invited to offer their input in developing the new anti-bullying policy.

Signed:

Tammy Hogan

Secretary of the Board of Management
