

Date: 12/06/2025

- The Bi Cinealta Policy was discussed and ratified by The Board of Management.
- The Board received correspondence relating to parental and student choice regarding school tracksuit/formal school uniform. The school's current uniform policy was discussed in detail. The Board decided to survey parents on the removal of the formal uniform from our policy. Further decisions will be guided by the response received.
- Quotes were submitted to the Department of Education for the installation of Solar Panels. This work is approved and is scheduled to take place over the summer holidays.
- The Board has approved the work which will be completed on the school garden project over the summer. It is intended that much of this project will be completed prior to our return to school in August.
- School swimming was discussed. With so many families opting not to participate, it may not be feasible to continue arranging lessons going forward. The Board has decided that a more detailed survey will be conducted next year and the decision to book and booking arrangements will be based on the responses received.
- The Board approved the school summer programme and notes that the DLP for the first two weeks will be Tammy Hogan and the DLP for the second two weeks will be Joanne Butler.

Note: DLP – Designated Liaison Person – Child Protection

Signed: Tammy Hogan

Secretary to the Board of Management
