- The Board of Management have applied for funding for an outdoor learning space to include a polytunnel and raised growing beds. The application also includes a request for funding towards the completion of the school shed.
- As part of the treasurer's report, it was noted that the school accounts were analysed and approved for the last quarter.
- A school excursion policy was discussed at the meeting. This policy will be ratified at a future meeting. Input will be sought from all stakeholders, including parents and pupils.
- The Board of Management discussed the most recent school inspection report. The recommendations were considered and Ms. Hogan explained to the Board members the steps taken to address these.

Signed: Tammy Hogan

Secretary to the Board of Management
