- The following Parent's Association Fundraisers were approved by the Board.
Christmas Hampers – School Based
Timber Raffle – December 5th
Tipperary Jersey Raffle – December 16th
- The Board of Management sincerely thank the Parent's Association who have generously offered to purchase tickets to the pantomime for all the children in the school.
- School swimming was discussed by the Board. A decision was made to survey parents to help understand the reasons why some families opt not to participate. The results of the survey will guide decisions regarding swimming for next year.
- The Board is happy to report that work on the new sensory garden is progressing well. Over the coming weeks, playground equipment will be installed and work on the school shed will be completed. Phase two of the project involves the addition of picnic seating, a buddy bench and other outdoor equipment.
