

Date: 24/02/2025

- The recent swimming survey was discussed. Of those who responded, there was a 98% interest in booking lessons. Based on this figure, the Board decided to book school swimming lessons for the last term.
- Ms. Hogan applied for two weeks parental leave which was granted by the Board.
- An energy audit recently conducted in the school was discussed. The recommendations made in the audit will be considered by the Board in greater detail at a later meeting.
- School accounts were presented to the Board by James Mounsey of MOET Accountants. These accounts were approved by the Board and will be submitted to the FSSU on Friday, February 28th.
- The Board agreed that quotes for Solar Panels for the school will be submitted to the HUB portal of the Department of Education prior to April 1st, 2025. It is expected that these panels will be in place for September 2025.
- The Bi Cinealta surveys completed by students, parents and staff were discussed. A draft policy will be discussed with staff on the half day closure on March 14th. This draft will also be shared with parents in the last term. It is expected that this policy will be ratified and in place for our return to school in August 2025. Many thanks to all who responded to our survey!

Signed: Tammy Hogan

Secretary to the Board of Management
