- The Board of Management have not yet received a decision on their grant application to Tipperary County Council for the Ballaghveiny Dump Fund.
- The success of the Hot Lunch Scheme was discussed and the Board welcomed the benefits of such a scheme for the wellbeing of the children in Bishop Harty N.S.
- Enrolment numbers for next year were discussed with a projected figure of 86 pupils.
- Decisions we made around works to be carried out over the Summer break. These include the clearing of the site of the school shed and lowering of the floor base. This will ensure the structure is ready for next stage works if successful in the grant application.
- Various other maintenance work will be carried out over the break.
- The Board approved the running of this years Summer Programme. It will operate from June 24th to July 19th inclusive.

Signed: Tammy Hogan

Secretary to the Board of Management
